Message From Academic Director

Westford Education Group, through UniAthena, is committed to offering learners the highest quality international programs from Europe, the US, and other leading countries. We carefully select our partner universities to ensure every program is fully accredited, internationally recognized, and industry-appropriate. Our dedicated teaching and support staff focus on one goal: your success—both in the classroom and in your career. With UniAthena, you always have committed support throughout your educational journey.

Our distinguished international faculty combine academic excellence with real-world corporate experience, ensuring you graduate ready to lead and innovate. We warmly welcome you to UniAthena, the new era of affordable, flexible, and accessible learning.

**Col (Rtd).
Anil Ahluwalia**

Academic Director
UniAthena

Who We Are

UniAthena is an online higher education provider offering flexible and affordable learning solutions. Our vision is to make quality higher education available to all, empowering people from all walks of life through flexible and cost-effective learning opportunities.

As the latest venture of the Westford Education Group, UniAthena is on a high-growth trajectory in the dynamic ed-tech space, building on over a decade of expertise in higher education. With our reach extending to over 143 countries, we provide globally recognized Master, Doctoral programs, Postgraduate Certificates, and Free Short Courses, all devel-

oped in collaboration with renowned European universities and qualification bodies.

UniAthena's mission is to help learners from diverse backgrounds achieve internationally accredited qualifications and professional growth through accessible, fully online programs. We have a legal presence in the UAE, UK, and India. The entity operates in the UAE as Athena Global Education FZE.

Westford Education Group

Westford Education Group was established in 2009, with an objective to fulfill the aspirations of learners with diverse backgrounds from across the globe to attain internationally-accredited qualifications in the form of on-site and online learning interventions.

Working toward a world where everyone has access to higher education, WEG now stands out, winning the confidence of its learners and the community, a result of its steadfast commitment to learners' welfare and their success stories.

At Westford, we have come up with an integrated strategy and operational model for global education. The group's overall mission is "enabling the learner of today to become a successful individual of tomorrow."

Why Choose UniAthena?

Flexible Learning:

Choose between fixed or flexible schedules and bite-sized online modules—perfect for busy professionals. This allows you to balance your education with personal and work commitments seamlessly.

Affordable Payment Plan:

Pay-per-module and easy installment options (no hefty upfront fees—spread your investment comfortably). This financial flexibility makes advancing your career accessible without straining your budget.

Personal Tutor Support:

Dedicated personal tutors support your academic journey every step of the way. They provide tailored guidance, address your questions promptly, and help keep you motivated throughout the program.

University Accreditation:

Learn with a truly international ecosystem, partnering with prestigious universities and awarding bodies. Your qualifications will be respected globally, opening doors to advanced career opportunities worldwide.

World-Class Faculty:

Be guided by expert instructors and mentors with strong academic foundations and real-world expertise across supply chain strategy, logistics, materials management, sustainability, and global operations. Their industry-driven perspective ensures you gain practical, application-ready knowledge in procurement, transportation, international logistics, research, and data-backed managerial decision making.

Program Overview

UniAthena's Master in Supply Chain and Logistics Management, designed

for professionals in operations, logistics, and procurement, equips you with the expertise to manage complex supply chains and global distribution networks with confidence.

You will gain the strategic insight to optimize materials, logistics, and procurement processes while driving sustainability and operational

efficiency across industries. The program combines deep sectoral knowledge with advanced business skills in areas such as strategic supply chain management, global logistics, materials management, sustainability, and procurement contracts.

Program Overview

- This **90 ECTS program** is offered in partnership with Guglielmo Marconi University (GMU), Italy.
- **Guglielmo Marconi University** is accredited by the **Ministry of Education, Italy**, a member of the Bologna Process under the European Higher Education Area (EHEA), and recognized by **NARIC**.
- Graduates will earn a **Master in Supply Chain and Logistics Management** from GMU, Italy, a **Postgraduate Diploma in Supply Chain and Logistics Management** from Cambridge International Qualifications (CIQ), UK, and an optional **Certified Supply Chain Management Professional** certification from Chartered Management Institute (CMI), UK.
- Students also receive a one-year complimentary **Affiliate Membership with the Chartered Management Institute (CMI), UK**.
- Option to attend the **Annual Convocation hosted by GMU in Italy**.

Why This Course

Practical Supply Chain Expertise:

From procurement and logistics to sustainability and contract management, learners develop the ability to manage operations in industries ranging from manufacturing to retail, healthcare, and global trade.

Career Growth & Global Relevance:

Supply chain and logistics professionals are in high demand. This degree opens pathways in roles like Supply Chain Analyst, Procurement Manager, Logistics Consultant, Inventory Control Analyst, Quality Assurance Manager and Operations Specialist, across international markets.

Research-Driven, Project-Ready:

With mid-term and final dissertation projects, learners don't just study theory, they apply it. Graduates leave with the confidence to tackle modern supply chain challenges, build innovative solutions, and lead transformations.

Triple Certification

- **Master in Supply Chain and Logistics Management** issued by Guglielmo Marconi University, Italy.
- **Postgraduate Diploma in Supply Chain and Logistics Management** issued by Cambridge International Qualifications, UK.
- **Certified Supply Chain Management Professional** issued by the Chartered Management Institute, UK (Optional).

Potential Career Roles

- Supply Chain Manager
- Logistics Manager
- Operations Manager
- Procurement Manager
- Distribution Manager
- Inventory Control Manager
- Warehouse Manager
- Supply Chain Consultant
- Freight Manager
- Business Owner

How you Learn

We provide a rich learning environment that fosters collaboration, innovation, and personal growth. Engage with a scientifically developed learning pedagogy that ensures a quality and effective journey for the learners. Enjoy a seamless learning experience tailored to your level of expertise on the subject matter.

Video Classes

The well-developed online video lessons designed by our faculty will lay the foundation for your learning.

Personal Tutor

One-to-one personal tutor meetings will clarify your doubts and also guide your assignments.

Online Library

You get unlimited access to the online library, which consists of a large collection of books, journals, articles, white papers, videos, case studies, and other publications.

Collaborative Learning

Discussion Forums, webinars, and business scenario presentations will extend your learning beyond the curriculum and open a new world before you.

We offer webinars with industry leaders and career development workshops to help you build your professional network and advance your career.

Highlights from Our Expert-Led Supply Chain & Logistics Webinars

A curated selection of sessions exploring the systems, strategies, and leadership behind effective supply chains. Led by industry specialists, these webinars examine material management, operational continuity, risk resilience, and the future of logistics in a changing global environment. Designed for professionals seeking practical insight into how strong supply chain decisions drive efficiency, stability, and long-term business advantage.

Program Structure

Modules Overview

Module No	Module Type	Module Name	ECTS Equivalent
Part A			
1	Core	Strategic Supply Chain and Logistics Management	10
2	Core	Material Management	10
3	Core	Sustainability & Business	10
4	Core	Mid Term Project	10
5	Core	General Management	10
6	Core	Supply Chain & Logistics in Global Context	10
7	Elective	Transportation & Logistics	10
		Procurement & Contract Management	
Part B			
1	Core	Research Methods	8
2	Core	Research and Dissertation	12
Total Credits			90

Module Description

Strategic Supply Chain and Logistics Management

Level: EQF Level 7
Credits: 10 ECTS

The learner will gain a deeper comprehension of Supply Chain Management, Supplier Relationship Management, and Logistics Management and the ways in which they assist businesses in expanding into the global market.

Material Management

Level: EQF Level 7
Credits: 10 ECTS

This module focuses on providing master-level expertise in Materials Management. All the basics and relevant concepts in materials management have been covered to give the learner an overall understanding of the process of materials management.

Sustainability & Business

Level: EQF Level 7
Credits: 10 ECTS

This module explores how modern organizations integrate sustainability into their business strategies and operations. It examines global sustainability challenges and opportunities, encouraging learners to critically assess and develop sustainable business practices.

Midterm Project

Level: EQF Level 7
Credits: 10 ECTS

This module develops learners' analytical, problem-solving, and decision-making skills through an individual mid-term project that applies business theories to real-world challenges across key functional areas.

General Management

Level: EQF Level 7
Credits: 10 ECTS

This module wishes to explain the basic concept of general management. The module covers topics from various concepts that are essential for understanding the perspective of general management.

Module Description

Supply Chain & Logistics in Global Context

Level: EQF Level 7
Credits: 10 ECTS

This module supports strategic decision-makers in international and domestic markets to manage successful logistics across their business.

Transportation & Logistics (Elective 1)

Level: EQF Level 7
Credits: 10 ECTS

This module provides a comprehensive overview of transportation and logistics in the global business environment. It covers key modes of transportation—road, rail, air, water, and pipeline—and their roles in facilitating international trade.

Procurement & Contract Management (Elective 2)

Level: EQF Level 7
Credits: 10 ECTS

This module covers procurement positioning, purchasing, pricing decisions, and the significance of effective procurement management.

Research Methods

Level: EQF Level 7
Credits: 8 ECTS

This module emphasizes research ethics, empowering learners to address ethical considerations and enable independent research using quantitative and qualitative techniques.

Research and Dissertation

Level: EQF Level 7
Credits: 12 ECTS

The dissertation is an opportunity for learners to demonstrate their ability to investigate issues of their own choice over a significant period of time.

Assessment Method

Each module will be assessed through a combination of formative and summative assessments. Formative assessment will follow a continuous assessment strategy that will include unit-wise assessments, followed by a summative assessment that is formulated to be more aligned with personal reflection questions that are mapped against the expected learning outcomes of the module. Research and dissertation will be supported by a supervisor appointed by UniAthena, and the learner is expected to submit an extensive report of 12,000 words. At this stage, learners will have the option to choose a business project instead of a dissertation

Admissions & Eligibility

Entry Routes

Academic Route:

A bachelor's degree from an accredited university (or academic equivalent) in any subject.

Mature Entry Route:

If you don't have a Bachelor's degree, you can apply through our mature entry route. You'll need to provide evidence of 5 years (Minimum) of relevant managerial work experience, along with certificates of your highest diplomas/degrees/professional certifications, and an updated resume. Applications are assessed on a case-by-case basis. Please send these details to admissions@uniathena.com. Applicants should be 23 years of age or above. Admission through the Mature Entry Route will be subject to the discretion of the UniAthena and the respective Awarding Bodies/Universities. Applicants admitted to the program via the Mature Entry Route are required to obtain their Postgraduate Diploma Certificates as a mandatory step.

English Proficiency:

If you are not a native speaker, you should have an appropriate English proficiency level, e.g., an IELTS score of 5.5 or equivalent in all bands, or possess a bachelor's degree delivered and assessed in English, or proof of work experience in an English-speaking environment.

“I am happy to recommend UniAthena to all growth-oriented Professionals looking for a way to set themselves apart.”

I don't have enough words to express my deep gratitude for all the support and guidance I have received from UniAthena. This platform is a true home of learning and inspiration, turning every challenge into an opportunity for growth.

I am especially grateful to my Personal Tutor. His constant support, wisdom, dedication, patience and encouragement were fundamental to my academic growth. I am grateful for the program's affordability, structure and flexible delivery. The overall support and accommodation has been very crucial in achieving this academic milestone. I am happy to recommend UniAthena to all growth-oriented Professionals looking for a way to set themselves apart.

International Advantage

Study remotely, Graduate in Italy:

Attend the prestigious GMU convocation in Rome as a UniAthena graduate. Join a diverse, global network and benefit from international recognition of your credentials.

Our Esteemed Academic and Professional Affiliations

Guglielmo Marconi University, Italy

Guglielmo Marconi University (GMU) is based in Rome, Italy, and is recognized by the Ministerial Decree of March 1, 2004. GMU's main campuses are based in Rome and are located around the Prati and Vatican neighbourhoods. Currently, GMU has more than 16,000 learners enrolled in graduate and postgraduate programs, 300 faculty members, and a team of 200 expert advisors.

The central administrative offices, studios, academic departments, and the majority of the university facilities are situated on the main campus. GMU distinguishes itself through its operational blended format, which combines online and traditional academic programs. This

format provides learners with a valuable experience both online and offline, by preserving face-to-face interactions with professors, seminars, and lessons within the athenaeum and granting access to the intranet and institutional resources.

Since 1999, Italian universities have abided by the 'Bologna Process', launched with the Bologna Declaration of 1999 and defined by the European Higher Education Area (EHEA). In relation to this reform, the university is a system organized into 3 cycles: bachelor's degrees, Master degrees, and doctorates in different schools.

Cambridge International Qualifications, UK

Cambridge International Qualifications (CIQ), UK, is a professional awarding body based in the United Kingdom. CIQ is founded on the vision of helping individual learners and employers in attaining quality accredited awards. With centers across the Middle East, Europe, and the African region, CIQ is a proud certification partner for more than 100 organizations and has a progression pathway with some of the leading universities across the world.

CIQ offers credit-rated programs under the Scottish Credit Qualification Framework (SCQF) through the credit rating agency Scottish Qualifications Authority, which enables the learner to attain UK-regulated qualifications. Apart from the credit-rated programs, CIQ also offers stand-alone professional diploma and certification programs, which have been developed based on the current needs of the industry. CIQ also partnered with NCFE-UK (Northern Council for Further Education) and TQUK (Training Qualifications, UK) for joint certification for the courses developed by CIQ. CIQ has gained a reputation for the high-quality

support services provided to the education sector. It works with schools, colleges, universities, and corporate bodies as well as Government agencies to provide relevant, effective, and flexible programs. Their qualification and assessment framework is up-to-date, result-oriented, and meets the defined values as per international standards. CIQ qualifications are approved for progression to higher qualifications offered by International Universities around the globe.

The CIQ qualification and assessment framework has been developed in consultation with leaders from various corporate bodies, government agencies, and universities around the world. CIQ programmes are frequently assessed to enhance quality and ensure they are relevant for the rapidly changing global market, as well as career opportunities for ambitious individuals. The CIQ Qualification and assessment framework is available throughout the world and may be accessed via their "Approved Centre Network".

Chartered Management Institute, UK

Chartered Management Institute, backed by Royal Charter, is the only Chartered body dedicated to promoting the highest standards in management and leadership excellence. CMI's management qualifications are recognized throughout the UK and Europe and provide a progressive framework that enables one to develop and broaden management skills. Their qualifications are designed in consultation with employers to meet today's demands, and therefore, it is valued by them.

Their certification is flexible. One can study locally via their 600+ approved

centres or through a Distance Learning Provider. Their resources are designed specifically for the qualification to ensure that the learner has the correct support and free access to all key membership services for the duration of their study. Practical help whenever you need it; tools and techniques to save time and stress; new ways to enhance your professional reputation; qualifications that show the world you mean business – that's what CMI is all about.
