Who We Are

UniAthena is an online higher education provider offering flexible and affordable learning solutions. Our vision is to make quality higher education available to all, empowering people from all walks of life through flexible and cost-effective learning opportunities.

As the latest venture of the Westford Education Group, UniAthena is on a high-growth trajectory in the dynamic ed-tech space, building on over a decade of expertise in higher education. With our reach extending to over 143 countries, we provide globally recognized Master, Doctoral programs, Postgraduate Certificates, and Free Short Courses, all developed in collaboration with renowned European universities and qualification bodies.

UniAthena's mission is to help learners from diverse backgrounds achieve internationally accredited qualifications and professional growth through accessible, fully online programs. We have a legal presence in the UAE, UK, and India. The entity operates in the UAE as Athena Global Education FZE.

MISSION

UniAthena's mission is to promote inclusivity and equality by facilitating access to quality higher education for all individuals, regardless of their background. We aim to empower them through affordable, flexible and effective opportunities for their personal and professional development.

VISION

To redefine education by creating a borderless, learner-first ecosystem that empowers diverse communities to thrive in a rapidly evolving world.

VALUES

In upholding our vision, we ensure that the following core values are embedded in the development of the UniAthena Learning Platform and the courses and programs it supports:

- Accessible
- Affordable
- Accredited
- Stackable
- Flexible

Why UniAthena?

We strive to ensure that learning is seamless and blends with learners' lives.

Learning Schedules

Programs are offered with either Fixed Learning Duration or Flexible Learning Duration. The 100% Online Delivery & Byte-Sized Content simplified learning on the go.

Pay per Module/ Easy Installments

With UniAthena as your learning partner, you follow a 'Pay as you Go Scheme' for your program, that means no upfront bulk payment of your fee. Instead your fee will be divided into small pocket friendly installments distributed across your program.

Personal Tutor Support

In this online program, learners are not on their own. Upon enrolment, every learner gets assigned a Personal Tutor who they can reach out to for any academic support.

Accredited and Internationally Recognised Programs

Our programs are developed and delivered in partnership with globally recognized and accredited universities and Reputed Professional Qualification Authorities.

Westford Education Group

Westford Education Group was established in 2009, with an objective to fulfill the aspirations of learners with diverse backgrounds from across the globe to attain internationally-accredited qualifications in the form of on-site and online learning interventions.

Working toward a world where everyone has access to higher education, WEG now stands out winning the confidence of its learners and the community, a result of its steadfast commitment to learners' welfare and their success stories.

At Westford, we have come up with an integrated strategy and operational model for global education. The group's overall mission is "enabling the learner of today to become a successful individual of tomorrow."

"The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education" – Martin Luther King Jr.

Completing my Master Degree in Engineering Management has been a pivotal step in my professional journey. It deepened my understanding of operational strategy, leadership, and holistic problem-solving that have directly enhanced my effectiveness as a Warehouse Team Lead. The program empowered me to optimize supply chain processes, improve team performance, and implement data-driven solutions that support safety, efficiency, and sustainability in a high-demand environment. This experience has not only broadened my technical and managerial capabilities but also reinforced my commitment to continuous improvement and impactful leadership.

I would like to extend my heartfelt gratitude to my supervisor, Ankita Jawalkar, whose guidance and encouragement played a vital role in balancing my academic and professional responsibilities.

I am equally thankful to UniAthena for providing a flexible and enriching learning environment that made this achievement possible.

Learning with UniAthena:

We have developed a learning pedagogy which ensures that the learners will be able to progress through their course successfully, regardless of proficiency levels.

"I cannot thank UniAthena enough for helping me on my journey to achieve yet another educational goal in my life."

UniAthena has given me a chance to discover about the online Master in Procurement and Contract Management programme. I'm already applying the learnings from the programme to my current job, and I am thankful to the UniAthena platform for this opportunity to enhance my knowledge and sharpen my skills. The learning materials and the lectures were very insightful. I had the pleasure of having a good personnel tutor during my journey to completing the Master in Procurement and Contracts Management. I was a bit anxious about an online program, but with the guidance of my tutor, I completed the modules successfully. I cannot thank UniAthena enough for helping me on my journey to achieve yet another educational goal in my life.

Guglielmo Marconi University (GMU) is based in Rome, Italy, and is recognized by the Ministerial Decree of March 1, 2004. GMU's main campuses are based in Rome and are located around the Prati and Vatican neighbourhoods. Currently, GMU has more than 16,000 learners enrolled in graduate and postgraduate programs, 300 faculty members, and a team of 200 expert advisors.

The central administrative offices, studios, academic departments, and the majority of the university facilities are situated on the main campus. GMU distinguishes itself through its operational blended format, which combines online and traditional academic programs.

This format provides learners with a valuable experience both online and offline, by preserving face-to-face interactions with professors, seminars, and lessons within the athenaeum and granting access to intranet and institutional resources.

Since 1999, Italian universities have abided by the 'Bologna Process', launched with the Bologna Declaration of 1999 and defined by the European Higher Education Area (EHEA). In relation to this reform, the university is a system organized into 3 cycles: bachelor's degrees, master degrees, and doctorates in different

Cambridge International Qualifications, UK

Cambridge International Qualifications (CIQ), UK is a professional awarding body based in the United Kingdom. CIQ is founded on the vision of helping individual learners and employers in attaining quality accredited awards. With centers across the Middle East, Europe and the African region, CIQ is a proud certification partner for more than 100 organizations and has a progression pathway with some of the leading universities across the world.

CIQ offers credit-rated programs under Scottish Credit Qualification Framework (SCQF) through the credit rating agency Scottish Qualification Authority which enables the learner to attain UK-regulated qualifications. Apart from the credit-rated programs, CIQ also offers stand-alone professional diploma and certification programs which have been developed based on the current need of the industry. CIQ also partnered with NCFE-UK (Northern Council for Further Education) and TQUK (Training Qualifications, UK) for joint certification for the courses developed by CIQ.

CIQ has gained a reputation for the high-quality support services provided to the education sector. It works with schools, colleges, universities, and corporate bodies as well as Government agencies to provide relevant, effective, and flexible programs. Their qualification and assessment framework is up-to-date, result oriented and meets the defined values as per international standards. CIQ qualifications are approved for progression to higher qualifications offered by International Universities around the globe.

The CIQ qualification and assessment framework have been developed in consultation with leaders from various corporate bodies, government agencies, and universities around the world. CIQ programmes are frequently assessed to enhance quality and ensure they are relevant for the rapidly changing global market as well as career opportunities for ambitious individuals. The CIQ Qualification and assessment framework is available throughout the world and may be accessed via their “Approved Centre Network”.

Chartered Management Institute, UK

Chartered Management Institute, backed by Royal Charter, is the only Chartered body dedicated to promoting the highest standards in management and leadership excellence. CMI's management qualifications are recognized throughout the UK and Europe and provide a progressive framework that enables one to develop and broaden management skills. My overall experience exceeded my expectations. I'm deeply grateful!

This experience has given me the confidence to achieve something that I previously believed was impossible to attain. UniAthena is a multicultural, accessible learning institution where students with various professional and cultural backgrounds are valued.

My MBA journey, experiences, learning, and the support I got from the institution and the whole team, especially Mr. Argha and Mr. Bob, are phenomenal.

The dissertation and viva process went a little bit smoother and pleasant because of the team's relentless support. Kudos!

What can I say? I am just fortunate that my learning experience was exceptionally great!
