Message From Academic Director

UniAthena is dedicated to offering our learners the highest quality international programs from Italy, Spain, the US and other prominent countries. We carefully select our partner universities to ensure that each program is fully accredited, internationally recognized, and industry appropriate. Our teaching staff, learner support staff, and partner staff are focused on one thing: your success, both in the classroom and in your career and when you join our programs, from any of our partner universities, you will always have UniAthena by your side, helping you along each step of your path to success.

UniAthena's distinguished international faculties have been educated in renowned universities. Our professors and trainers possess expertise in research and teaching, and they are committed to providing learners with a world-class learning experience. Many members of our faculty also hold significant corporate experience and serve on corporate management boards. Our reports indicate that our graduates leave our programs with the functional industry knowledge they expect from executive education. Our learners move on to become effective leaders and strong team players, with the talent to identify and build opportunities – and we hope to see your success story unfold with us.

We warmly welcome you to UniAthena, the new era of affordable, flexible and accessible learning. I wish you an enriching and enjoyable learning experience and success.

About Guglielmo Marconi University

Guglielmo Marconi University (GMU) is based in Rome, Italy, and was officially recognized by Ministerial Decree on March 1, 2004. Its main campuses are located in Rome, within the Prati and Vatican districts.

Currently, GMU has over 16,000 learners enrolled across graduate and postgraduate programs, supported by 300 faculty members and 200 expert advisors.

Since 1999, Italian universities have followed the Bologna Process, established under the Bologna Declaration and aligned with the European Higher Education Area (EHEA). Under this system, education is structured into three cycles:

Bachelor's degrees, Master degrees, and Doctorates.

Introducing UniAthena's DBA

STRATEGIC MANAGEMENT

UniAthena's Doctor of Business Administration in Strategic Management, offered with the world-renowned Guglielmo Marconi University, Italy, is a specialised Doctoral program that arms senior Professionals with strategic excellence. Featuring an industry-relevant curriculum that blends advanced research methodologies with business challenges, remote delivery and flexible learning, this Doctoral degree offers full-time professionals a rigorous yet accommodative academic experience. With a special emphasis on Strategic Management, graduates will develop the strategic expertise needed to stay competitive in the contemporary business landscape. The DBA, upon completion, opens greater professional avenues, perfects research excellence, and showcases the learner as an expert on the rise.

About this Program

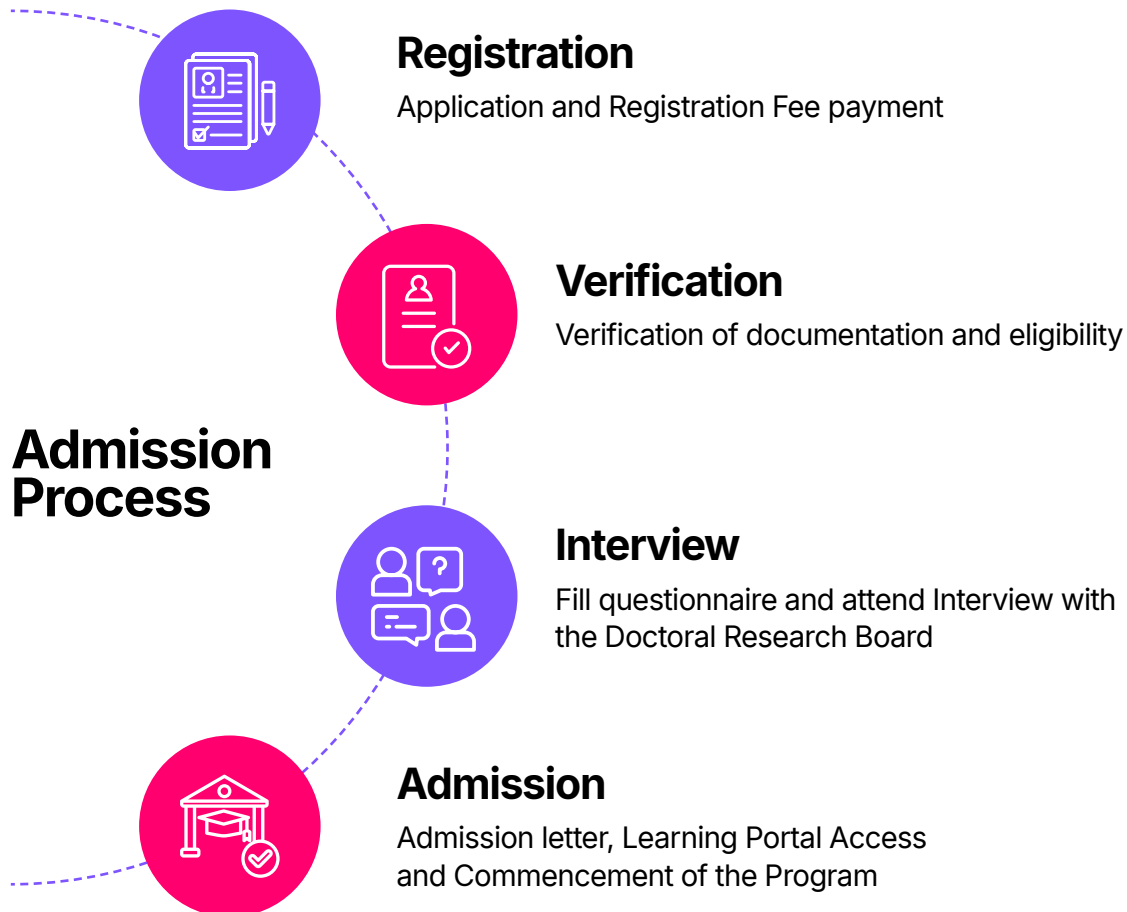

- Earn the Doctor of Business Administration (DBA) in Strategic Management from Guglielmo Marconi University (GMU), Italy.
- GMU is the first ever Italian Open University recognised by Italy's Ministry of Education, University and Research (MIUR).
- GMU also appears among the top 25 universities worldwide in the categories of the U-Multirank ranking system for open-access, international joint and regional joint publications.
- This DBA is an ISCED Level 8, 180 ECTS credits program, with 60 ECTS earned in Year 1 and 120 ECTS earned in Years 2 and 3. Learners will also gain critical Strategic Management expertise, preparing them for success in the professional world.
- Year 1 features theoretical and practical training to undertake Doctoral-level research projects, and Years 2 and 3 offers learners an opportunity to design, execute and present their original research.
- This DBA is delivered 100% online, along with quality digital resources, 1:1 Academic Assistance, and Research Supervision for student support.
- This program is tailored to fit the demanding and unpredictable schedules of senior executives.

How to Apply for a DBA?

Admission Process

The DBA program has a continuous intake with cohorts commencing every alternate month. The ongoing admission process is as follows:

Eligibility Criteria

- ✓ **Highest Qualification**
Candidates must have an MBA or Master's degree or equivalent from recognized institutions.
- ✓ **Work Experience**
Candidates must have at least three years of work experience at managerial level.
- ✓ **Language Proficiency**
Candidates must have a thorough command of written and spoken English at a level: 6.0 IELTS or equivalent.
