Message From Academic Director

UniAthena is dedicated to offering our learners the highest quality international programs from Italy, Spain, the US and other prominent countries. We carefully select our partner universities to ensure that each program is fully accredited, internationally recognized, and industry appropriate. Our teaching staff, learner support staff, and partner staff are focused on one thing: your success, both in the classroom and in your career and when you join our programs, from any of our partner universities, you will always have UniAthena by your side, helping you along each step of your path to success.

UniAthena's distinguished international faculties have been educated in renowned universities. Our professors and trainers possess expertise in research and teaching, and they are committed to providing learners with a world-class learning experience. Many members of our faculty also hold significant corporate experience and serve on corporate management boards. Our reports indicate that our graduates leave our programs with the functional industry knowledge they expect from executive education. Our learners move on to become effective leaders and strong team players, with the talent to identify and build opportunities – and we hope to see your success story unfold with us.

We warmly welcome you to UniAthena, the new era of affordable, flexible and accessible learning. I wish you an enriching and enjoyable learning experience and success.

Col (Rtd). Anil Ahluwalia

Introducing Guglielmo Marconi University

Unimarconi
LA PRIMA UNIVERSITÀ
DIGITALE ITALIANA

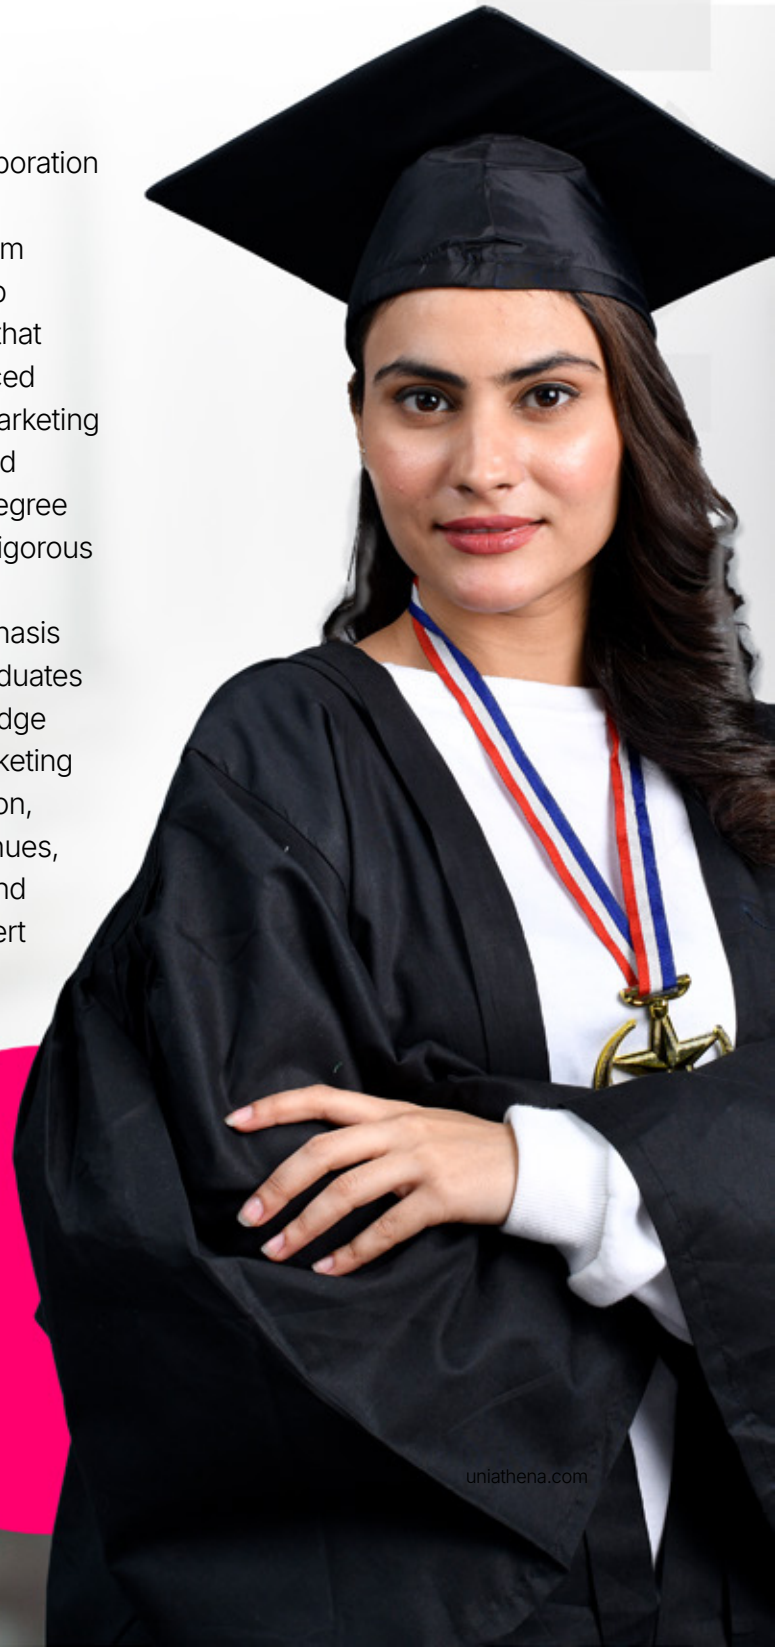

Guglielmo Marconi University (GMU) is based in Rome, Italy, and is recognized by the Ministerial Decree of March 1, 2004. GMU's main campuses are based in Rome and are located around the Prati and Vatican neighbourhoods. Currently, GMU has more than **16,000 learners** enrolled in graduate and postgraduate programs, **300 faculty members**, and a team of **200 expert advisors**.

Since 1999, Italian universities have **abided by the 'Bologna Process'**, launched with the Bologna Declaration of 1999 and defined by the **European Higher Education Area (EHEA)**. In relation to this reform, the university is a system organized into **3 cycles: bachelor's degrees, master degrees, and doctorates** in different schools.

Introducing UniAthena's DBA

UniAthena's Doctor of Business Administration in Marketing Management, delivered in collaboration with the esteemed GMU, Italy, is a world-class Doctoral program tailored for ambitious business professionals. With a curriculum that harmoniously integrates advanced research methodologies with marketing applications, remote delivery and flexible learning, this Doctoral degree offers full-time professionals a rigorous yet accommodative academic experience. With a special emphasis on Marketing Management, graduates will be armed with the cutting-edge insights needed to lead the marketing world. The DBA, upon completion, opens greater professional avenues, perfects research excellence, and spotlights the learner as an expert on the rise.

About this Program

- Earn the **Doctor of Business Administration (DBA) in Marketing Management** from Guglielmo Marconi University (GMU), Italy.
- GMU is the first ever Italian Open University recognised by **Italy's Ministry of Education, University and Research (MIUR)**.
- **GMU** also appears among the top 25 universities worldwide in the categories of the U-Multirank ranking system for open-access, international joint and regional joint publications.
- This **DBA is an ISCED Level 8, 180 ECTS credits program**, with **60 ECTS** earned in **Year 1** and **120 ECTS** earned in **Years 2 and 3**. The in-demand specialisation will qualify learners for key leadership roles in Marketing.
- **Year 1 features theoretical and practical training** to undertake Doctoral-level research projects, and **Years 2 and 3 offers learners** an opportunity to design, execute and **present their original research**.
- This DBA is delivered **100% online**, along with quality digital resources, **1:1 Academic Assistance**, and **Research Supervision for student support**.
- This program is tailored to fit the demanding and unpredictable schedules of senior executives.

Minimum of 3 years of professional work experience.
- ✔ **Language Proficiency**
English language proficiency at a professional level.

What will your DBA Program look like?

Program Structure

Modules	Credits (ECTS)
Year 1 - DBA Course Work	
Applied Research in Management	10
Foundations of Research Design	10
Marketing Management	10
Research Feasibility Study	20
Applied Doctoral Research Proposal	10
Year 2 & 3 (DBA Research)	
Applied Doctoral Research Thesis	120
Total	180

Program Modules

Applied Research in Management

Level: EQF Level 8 **Credits: 10 ECTS**

This module develops doctoral-level skills in identifying research topics, designing ethical management projects, and understanding contemporary business challenges.

Foundations of Research Design

Level: EQF Level 8 **Credits: 10 ECTS**

Unlock core research methodologies, from philosophy to data analysis, enabling them to design rigorous business research.

Marketing Management

Level: EQF Level 8 **Credits: 10 ECTS**

Learners will explore key marketing principles, customer strategies, and digital tools to create strong marketing plans, build brand value, and connect with target audiences.

Research Feasibility Study

Level: EQF Level 8 **Credits: 20 ECTS**

Learn how to conduct a pilot study, test research feasibility, and refine research methods, establishing a solid foundation for the DBA thesis.

Applied Doctoral Research Proposal

Level: EQF Level 8 **Credits: 10 ECTS**

Prepare to create a comprehensive research proposal, offering practical guidance to advance toward the DBA thesis phase.

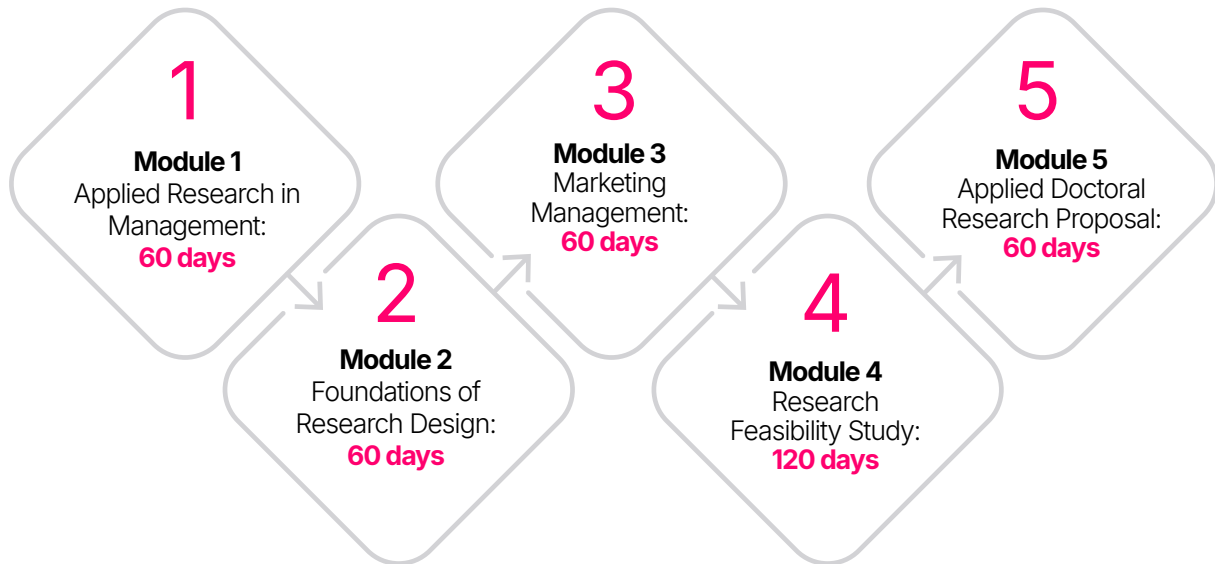

Applied Doctoral Research Thesis

Level: EQF Level 8 **Credits: 120 ECTS**

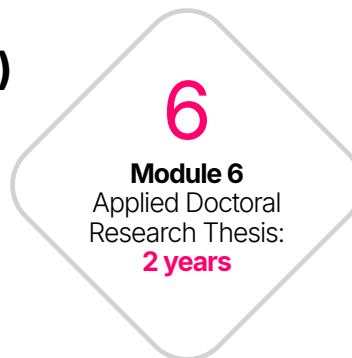

This module culminates in a doctoral-level thesis and viva voce defense, supported by supervision and workshops, leading to the DBA degree award.

Learner Journey – 36 Months

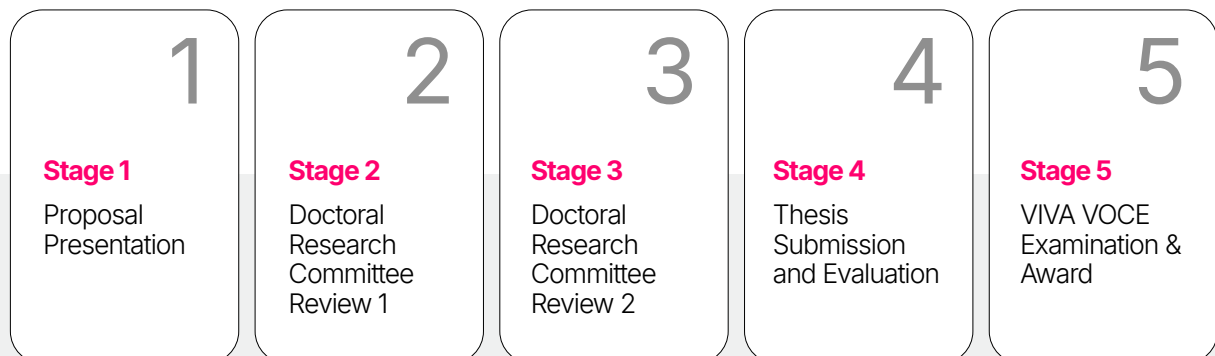

Year 1: Module 1-5

Years 2 & 3: Module 6 (Stages 1-5)
