UniAthena

Who We Are

UniAthena is an online higher education provider offering flexible and affordable learning solutions. Our vision is to make quality higher education available to all, empowering people from all walks of life through flexible and cost-effective learning opportunities.

As the latest venture of the Westford Education Group, UniAthena is on a high-growth trajectory in the dynamic ed-tech space, building on over a decade of expertise in higher education. With our reach extending to over 143 countries, we provide globally recognized Master, Doctoral programs, Postgraduate Certificates, and Free Short Courses, all developed in collaboration with renowned European universities and qualification bodies.

UniAthena's mission is to help learners from diverse backgrounds achieve internationally accredited qualifications and professional growth through accessible, fully online programs. We have a legal presence in the UAE, UK, and India. The entity operates in the UAE as Athena Global Education FZE.

About Westford Education Group

Westford Education Group was established in 2009, with an objective to fulfill the aspirations of learners with diverse backgrounds from across the globe to attain internationally-accredited qualifications in the form of on-site and online learning interventions.

Working toward a world where everyone has access to higher education, WEG now stands out, winning the confidence of its learners and the community, a result of its steadfast commitment to learners' welfare and their success stories.

At Westford, we have come up with an integrated strategy and operational model for global education. The group's overall mission is "enabling the learner of today to become a successful individual of tomorrow."

Why Choose UniAthena?

Flexible Learning

Choose between fixed or flexible schedules and bite-sized online modules—perfect for busy professionals. This allows you to balance your education with personal and work commitments seamlessly.

Personal Tutor Support

Dedicated personal tutors support your academic journey every step of the way. They provide tailored guidance, address your questions promptly, and help keep you motivated throughout the program.

World-Class Faculty

Learn from experienced instructors and industry professionals with strong expertise in Information Technology, digital transformation, systems management, analytics, and leadership. Their real-world exposure ensures you gain practical IT knowledge that can be applied immediately.

Affordable Payment Plan

Pay-per-module and easy installment options (no hefty upfront fees—spread your investment comfortably). This financial flexibility makes advancing your career accessible without straining your budget.

Globally Recognized Accreditation

Learn with a truly international ecosystem, partnering with prestigious universities and awarding bodies. Your qualifications will be respected globally, opening doors to advanced career opportunities worldwide.

Program Overview

UniAthena's specialised MBA in Information Technology offers Professionals a ticket into the competitive, innovative, and fast-paced world of IT Management. The expertly developed academic program offers an enriched learning experience, arming learners with the strategic, managerial, and technical prowess needed to thrive in the tech space. With flexible learning policies and personalised academic assistance, full-time Professionals can target key managerial and leadership roles in the IT world without a career break. The MBA in IT prepares learners for key roles like Computer and Information Systems Manager, IT Consultant, IT Manager, and Chief Technology Officer (CTO).

Highlights of this course are:

- 01** This **90 ECTS MBA** program is offered in partnership with **Guglielmo Marconi University, Italy**.
- 02** **Guglielmo Marconi University** is accredited by the Ministry of Education, Italy, a member of the Bologna Process in the European Higher Education Area (EHEA), and is **NARIC-approved**.
- 03** The Online MBA in Information Technology is meticulously designed to help Professionals develop strategic leadership, operations, project management, marketing, HR, and IT mastery, propelling them towards greater career prospects.
- 04** Curated by our expert faculty, the course materials and assessments are designed to help learners develop real-life skills that will directly enhance their workplace performance.
- 05** Learners will receive a complimentary one-year membership to the Chartered Management Institute (CMI), UK.
- 06** Additional certifications include **Postgraduate Diploma in Information Technology** from Cambridge International Qualifications and **Certified Manager** from Chartered Management Institute, UK (Optional).
- 07** Learners can attend the Annual Convocation hosted by GMU in Italy.

Why This Course?

Future-Proof Yourself:

An Information Technology MBA is an opportunity to grow your professional hold in a rapidly changing sector. With the perfect combination of soft skills and technical proficiency, you can climb the corporate ladder, establish yourself as a credible expert, and cement your hold in the competitive tech sphere.

Entry to Key Roles:

Being a specialised industry, breaking into the Information Technology space requires academic qualifications. The MBA in IT arms learners with strategic insights into IT-driven solutions, cybersecurity, data analytics, and several IT methodologies, preparing learners to enter and rise in the tech space.

Tailored Learning:

Developed for full-time Professionals, the online MBA in Information Technology can not only be completed from the comfort of your home, but comes with 1:1 academic assistance, affordable payment plans, and a learning schedule based on your convenience.

Part A			
1	Core	Strategic Management	10 ECTS
2	Core	International Marketing Management	10 ECTS
3	Core	Strategic Leadership & HR Practices in organisations	10 ECTS
4	Core	Operations and Project Management	10 ECTS
5	Core	Mid Term Project	10 ECTS
6	Core	Information Technology Management	10 ECTS
7	Elective	Information Security Management	10 ECTS
		IT Governance, Ethics, and Cybersecurity Management	
Part B			
1	Core	Research Methods	8 ECTS
2	Core	Capstone Project	12 ECTS
Total Credits			90 ECTS

Module Description

Strategic Management

Level: EQF Level 7

Credits: 10 ECTS

The module develops skills for strategic thinking and analysis, leadership, communication, teamwork, and cross-functional integration.

International Marketing Management

Level: EQF Level 7

Credits: 10 ECTS

This module demonstrates knowledge and understanding of contemporary theories and their applications in the research field of international marketing and management.

Strategic Leadership & HR Practices in Organizations

Level: EQF Level 7

Credits: 10 ECTS

This module will equip learners with knowledge, skills, and competencies to manage human resources in an organization.

Operations and Project Management

Level: EQF Level 7

Credits: 10 ECTS

The module will introduce you to a comprehensive range of operations and project management challenges, techniques, and best practices that managers encounter in modern organizations.

Midterm Project

Level: EQF Level 7

Credits: 10 ECTS

This module develops learners' analytical, problem-solving, and decision-making skills through an individual mid-term project that applies business theories to real-world challenges across key functional areas.

Information Technology Management

Level: EQF Level 7

Credits: 10 ECTS

This module explores IT's role in boosting organizational performance, covering key concepts, cybersecurity, data analytics, leadership, teamwork, and IT-specific project management methodologies like Agile and Scrum.

IT Governance, Ethics, and Cybersecurity Management (Elective 1)

Level: EQF Level 7

Credits: 10 ECTS

The module covers IT governance, ethics, and cybersecurity management, focusing on risk assessment, incident response, security governance, compliance, and best practices through theoretical insights and case studies.

Information Security Management (Elective 2)

Level: EQF Level 7

Credits: 10 ECTS

The Information Security Management module covers safeguarding digital assets, digital forensics, risk management, and developing robust security policies, equipping learners to navigate complex information security challenges.

Research Methods

Level: EQF Level 7

Credits: 8 ECTS

This module emphasizes research ethics, empowering learners to address ethical considerations and enable independent research using quantitative and qualitative techniques.

Capstone Project

Level: EQF Level 7

Credits: 12 ECTS

The Capstone Project will equip learners to create a usable project through which they can integrate, synthesise, and demonstrate all their knowledge in a multi-faceted way to potential employers.

Assessment

Each module is evaluated through a blend of formative and summative assessments. These assessments, along with reflective exercises, are designed to align with the intended learning outcomes of each module, encouraging continuous personal, professional, and academic development.

The final research element, including the Capstone Project, will be conducted under the guidance of a supervisor appointed by UniAthena. Learners are required to submit a comprehensive Capstone Project report of approximately 12,000 words, demonstrating their ability to apply theoretical knowledge to practical and research-based contexts.

Admissions & Eligibility

Entry Routes

Academic Route

A bachelor's degree from an accredited university (or academic equivalent) in any subject.

English Language Proficiency

If you are not a native speaker, you should have an appropriate English proficiency level, e.g., an IELTS score of 5.5 or equivalent in all bands, or possess a bachelor's degree delivered and assessed in English, or proof of work experience in an English-speaking environment.

Mature Entry Route

If you don't have a Bachelor's degree, you can apply through our mature entry route. You'll need to provide evidence of 5 years (Minimum) of relevant managerial work experience, along with certificates of your highest diplomas/degrees/professional certifications and an updated resume. Applications are assessed on a case-by-case basis. Please send these details to admissions@uniathena.com Applicants should be 23 years of age or above. Admission through Mature Entry Route will be subject to the discretion of the UniAthena and the respective Awarding Bodies/Universities. Applicants admitted to the program via the Mature Entry Route are required to obtain their Postgraduate Diploma Certificates as a mandatory step.

Testimonial

"As a mother, wife, and working professional, I never imagined I could balance it all, but UniAthena made it possible."

Wenny Gotama Oey

Executive Director
Mevan Asia Pte Ltd.

**MBA in General Management- FastTrack
Batch 2024 | Singapore**

Pursuing my MBA with UniAthena has truly been a life-changing journey. As a mother, wife, and working professional, I never imagined I could balance it all, but UniAthena made it possible. The platform is incredibly flexible and affordable, allowing me to learn at my own pace without sacrificing my responsibilities at home or at work. The tutors were not just knowledgeable, but genuinely supportive and responsive, guiding me through every challenge. This experience has empowered me, boosted my confidence, and reminded me that with the right support, dreams are always within reach. Thank you, UniAthena, for walking this journey with me.

International Advantage

Study **Remote**, **Graduate** in Italy

Attend the prestigious GMU convocation in Rome as a UniAthena graduate. Join a diverse, global network and benefit from international recognition of your credentials.

Guglielmo Marconi University, Italy

Unimarconi
LA PRIMA UNIVERSITÀ
DIGITALE ITALIANA

Guglielmo Marconi University (GMU) is based in Rome, Italy, and is recognized by the Ministerial Decree of March 1, 2004. GMU's main campuses are based in Rome and are located around the Prati and Vatican neighbourhoods. Currently, GMU has more than 16,000 learners enrolled in graduate and postgraduate programs, 300 faculty members, and a team of 200 expert advisors.

The central administrative offices, studios, academic departments, and the majority of the university facilities are situated on the main campus. GMU distinguishes itself through its operational blended format, which combines online and traditional academic programs.

This format provides learners with a valuable experience both online and offline, by preserving face-to-face interactions with professors, seminars, and lessons within the athenaeum and granting access to the intranet and institutional resources.

Since 1999, Italian universities have abided by the 'Bologna Process', launched with the Bologna Declaration of 1999 and defined by the European Higher Education Area (EHEA). In relation to this reform, the university is a system organized into 3 cycles: bachelor's degrees, Master degrees, and doctorates in different schools.

Cambridge International Qualifications (CIQ), UK, is a professional awarding body based in the United Kingdom. CIQ is founded on the vision of helping individual learners and employers in attaining quality accredited awards. With centers across the Middle East, Europe, and the African region, CIQ is a proud certification partner for more than 100 organizations and has a progression pathway with some of the leading universities across the world.

CIQ offers credit-rated programs under the Scottish Credit Qualification Framework (SCQF) through the credit rating agency Scottish Qualifications Authority, which enables the learner to attain UK-regulated qualifications. Apart from the credit-rated programs, CIQ also offers stand-alone professional diploma and certification programs, which have been developed based on the current needs of the industry. CIQ also partnered with NCFE-UK (Northern Council for Further Education) and TQUK (Training Qualifications, UK) for joint certification for the courses developed by CIQ.

CIQ has gained a reputation for the high-quality support services provided to the education sector. It works with schools, colleges, universities, and corporate bodies as well as Government agencies to provide relevant, effective, and flexible programs. Their qualification and assessment framework is up-to-date, result-oriented, and meets the defined values as per international standards. CIQ qualifications are approved for progression to higher qualifications offered by International Universities around the globe.

The CIQ qualification and assessment framework has been developed in consultation with leaders from various corporate bodies, government agencies, and universities around the world. CIQ programmes are frequently assessed to enhance quality and ensure they are relevant for the rapidly changing global market, as well as career opportunities for ambitious individuals. The CIQ Qualification and assessment framework is available throughout the world and may be accessed via their “Approved Centre Network”.

Chartered Management Institute, UK

Chartered Management Institute, backed by Royal Charter, is the only Chartered body dedicated to promoting the highest standards in management and leadership excellence. CMI's management qualifications are recognized throughout the UK and Europe and provide a progressive framework that enables one to develop and broaden management skills. Their qualifications are designed in consultation with employers to meet today's demands, and therefore, it is valued by them.

Their certification is flexible. One can study locally via their 600+ approved centres or through a Distance Learning Provider.

Their resources are designed specifically for the qualification to ensure that the learner has the correct support and free access to all key membership services for the duration of their study.

Practical help whenever you need it; tools and techniques to save time and stress; new ways to enhance your professional reputation; qualifications that show the world you mean business – that's what CMI is all about.
