Advancing Your Strategic Impact in the World's Most Vital Industry

Pursue an Italian MBA in Oil and Gas Management from the Comfort of Your Home

Advance your career with UniAthena's **MBA in Oil and Gas Management**—a flexible, fully online program designed to equip professionals with essential managerial, strategic, and leadership skills for the energy sector in today's dynamic business environment.

Delivered in collaboration with **Guglielmo Marconi University (Italy)** and complemented by certifications from **Cambridge International Qualifications (UK)** and the **Chartered Management Institute (UK)**, this triple-certified MBA provides the expertise needed to navigate the complexities of the oil and gas industry, lead in energy management, and drive sustainable growth in the global energy market.

Message from Col (Rtd). Anil Ahluwalia

Academic Director, UniAthena

Westford Education Group, through UniAthena, is committed to offering learners the highest quality international programs from Europe, the US, and other leading countries. We carefully select our partner universities to ensure every program is high-quality, practical, and aligned with industry needs. Our dedicated teaching and support staff focus on one goal: your success—both in the digital classroom and in your career. With UniAthena, you always have committed support throughout your educational journey.

Our distinguished international faculty combine academic excellence with real-world corporate experience, ensuring you graduate ready to lead and innovate. We warmly welcome you to UniAthena, the new era of affordable, flexible, and accessible learning.

Who We Are

UniAthena is an online higher education provider offering flexible and affordable learning solutions. Our vision is to make quality higher education available to all, empowering people from all walks of life through flexible and cost-effective learning opportunities.

As the latest venture of the Westford Education Group, UniAthena is on a high-growth trajectory in the dynamic ed-tech space, building on over a decade of expertise in higher education. With our reach extending to over 143 countries, we provide globally recognized Master, Doctoral programs, Postgraduate Certificates, and Free Short Courses, all developed in collaboration with renowned European universities and qualification bodies.

UniAthena's mission is to help learners from diverse backgrounds achieve internationally accredited qualifications and professional growth through accessible, fully online programs. We have a legal presence in the UAE, UK, and India. The entity operates in the UAE as Athena Global Education FZE.

Westford Education Group

Westford Education Group was established in 2009, with an objective to fulfill the aspirations of learners with diverse backgrounds from across the globe to attain internationally-accredited qualifications in the form of on-site and online learning interventions.

Working towards a world where everyone has access to higher education, WEG now stands out, winning the confidence of its learners and the community, a result of its steadfast commitment to learners' welfare and their success stories.

At Westford, we have come up with an integrated strategy and operational model for global education. The group's overall mission is "enabling the learner of today to become a successful individual of tomorrow."

Why Choose UniAthena?

Flexible Learning:

Choose between fixed or flexible schedules and bite-sized online modules—perfect for busy professionals. This allows you to balance your education with personal and work commitments seamlessly.

Affordable Payment Plan:

Pay-per-module and easy installment options (no hefty upfront fees—spread your investment comfortably). This financial flexibility makes advancing your career accessible without straining your budget.

Personal Tutor Support:

Dedicated personal tutors support your academic journey every step of the way. They provide tailored guidance, address your questions promptly, and help keep you motivated throughout the program.

Globally Recognized Accreditation:

Learn with a truly international ecosystem, partnering with prestigious universities and awarding bodies. Your qualifications will be respected globally, opening doors to advanced career opportunities worldwide.

World-Class Faculty:

Be guided by expert instructors and mentors with strong academic foundations and real-world industry experience across general management, global supply chains, project execution, energy systems, and oil and gas operations. Their sector-driven exposure ensures you gain practical, application-ready knowledge in energy management, exploration and refining, global market strategy, research methods, and operational decision making in the oil and gas industry.

Program Overview

Designed for professionals in the oil and gas sector, this MBA equips you with the expertise to lead high-impact, complex energy projects confidently. You will gain the strategic insight to shape sustainable petroleum policies and drive operational excellence across the exploration, refining, and distribution of oil and natural gas. It combines in-depth sectoral knowledge with industry-specific business skills in areas like energy logistics, petroleum finance, HSE audits, and strategic execution.

- This **90 ECTS** program is offered in partnership with Guglielmo Marconi University (GMU), Italy.
- **Guglielmo Marconi University** (GMU) is **accredited by the Ministry of Education**, Italy, a member of the Bologna Process under the European Higher Education Area (EHEA), and recognized by NARIC.
- Graduates will earn an **MBA in Oil and Gas Management** from GMU, Italy, an **Advanced Diploma in Oil and Gas Management** from Cambridge International Qualifications (CIQ), UK, and an optional **Certified Manager** certification from the Chartered Management Institute (CMI), UK.
- The curriculum includes **seven core modules**, one mid-term project, and one final dissertation. Whether you're working in energy, operations, or project oversight, this program helps develop real-world skills without interrupting your career.
- Students also receive a one-year complimentary Affiliate Membership with the Chartered Management Institute (CMI), UK.
- Option to attend the **annual convocation** hosted by GMU in Italy.

Why This Course

Sector-Focused Business Knowledge:

From general management principles to oil and gas exploration, the program covers everything professionals need to operate effectively in a highly regulated, high-impact sector.

Application-Driven Learning:

With case-based modules and a research-driven project and dissertation, learners apply what they study to the evolving realities of the energy landscape.

Career-Aligned:

Earn qualifications from internationally respected institutions, opening doors to leadership roles in the oil and gas industry, including upstream operations, energy logistics, project management, and regulatory compliance across global energy markets.

Triple Certification

- **MBA in Oil and Gas Management** issued by Guglielmo Marconi University, Italy.
- **Advanced Diploma in Oil and Gas Management** issued by Cambridge International Qualifications, UK.
- **Certified Manager** issued by the Chartered Management Institute, UK (Optional).

Potential Career Roles

- Oil and Gas Operations Manager
- Energy Consultant
- Project Manager (Energy Sector)
- Petroleum Production Manager
- Energy Policy Advisor
- Supply Chain Manager (Oil & Gas)
- Environmental and Safety Manager (Oil & Gas)
- Exploration and Production Manager
- Business Development Manager (Energy)
- Energy Risk Manager
- Entrepreneur / Energy Sector Founder

How you Learn

We provide a rich learning environment that fosters collaboration, innovation, and personal growth. Engage with a scientifically developed learning pedagogy that ensures a quality and effective journey for the learners. Enjoy a seamless learning experience tailored to your level of expertise on the subject matter.

Video Classes

The well-developed online video lessons designed by our faculty will lay the foundation for your learning.

Personal Tutor

One-to-one personal tutor meetings will clarify your doubts and also guide your assignments.

Online Library

You get unlimited access to the online library, which consists of a large collection of books, journals, articles, white papers, videos, case studies, and other publications.

Collaborative Learning

Discussion Forums, webinars, and business scenario presentations will extend your learning beyond the curriculum and open a new world before you.

We offer webinars with industry leaders and career development workshops to help you build your professional network and advance your career.

Program Structure

6	Core	Oil and Gas Business - Global Perspective	10
7	Core	Oil & Gas Exploration and Refining Management	10
Part B			
1	Core	Research Methods	8
2	Core	Capstone Project	12
Total Credits			90

Module Description

General Management

Level: EQF Level 7
Credits: 10 ECTS

This module explores vital general management concepts, including theories, stakeholder and change management, offering practical insights for real-world implementation.

Supply Chain & Logistics in Global Context

Level: EQF Level 7
Credits: 10 ECTS

This module supports strategic decision-makers in international and domestic markets to manage successful logistics across their business.

Strategic Project Management & Implementation

Level: EQF Level 7
Credits: 10 ECTS

This module equips learners with the knowledge and skills to navigate the entire project lifecycle, from conception to completion. Learners will understand core project management concepts, data management, and key business documents.

Midterm Project

Level: EQF Level 7
Credits: 10 ECTS

This module develops learners' analytical, problem-solving, and decision-making skills through an individual mid-term project that applies business theories to real-world challenges across key functional areas.

Principles of Energy Management

Level: EQF Level 7
Credits: 10 ECTS

This module encompasses a comprehensive study of fuel types, combustion processes, and their impact on energy systems.

Oil and Gas Business - Global Perspective

**Level: EQF Level 7
Credits: 10 ECTS**

This module provides a concise overview of the global oil and gas industry, covering market dynamics, financial frameworks, and strategic management. Learners gain practical insights to navigate the sector's economic, operational, and regulatory challenges.

Oil & Gas Exploration and Refining Management

**Level: EQF Level 7
Credits: 10 ECTS**

This module offers a comprehensive overview of oil and gas exploration, production, and refining across upstream, midstream, and downstream operations. Learners will gain practical skills to manage energy operations efficiently and responsibly.

Research Methods

**Level: EQF Level 7
Credits: 8 ECTS**

This module emphasizes research ethics, empowering learners to address ethical considerations and enable independent research using quantitative and qualitative techniques.

Capstone Project

**Level: EQF Level 7
Credits: 12 ECTS**

The Capstone Project will equip learners to create a usable project through which they can integrate, synthesise, and demonstrate all their knowledge in a multi-faceted way to potential employers.

Assessment Method

Each module is evaluated through a blend of formative and summative assessments. These assessments, along with reflective exercises, are designed to align with the intended learning outcomes of each module, encouraging continuous personal, professional, and academic development.

The final research element, including the Capstone Project, will be conducted under the guidance of a supervisor appointed by UniAthena. Learners are required to submit a comprehensive Capstone Project report of approximately 12,000 words, demonstrating their ability to apply theoretical knowledge to practical and research-based contexts.

Admissions & Eligibility

Entry Routes

Academic Route:

A bachelor's degree from an accredited university (or academic equivalent) in any subject.

Mature Entry Route:

If you don't have a Bachelor's degree, you can apply through our mature entry route. You'll need to provide evidence of 5 years (Minimum) of relevant managerial work experience, along with certificates of your highest diplomas/degrees/professional certifications, and an updated resume. Applications are assessed on a case-by-case basis. Please send these details to admissions@uniathena.com. Applicants should be 23 years of age or above. Admission through the Mature Entry Route will be subject to the discretion of the UniAthena and the respective Awarding Bodies/Universities. Applicants admitted to the program via the Mature Entry Route are required to obtain their Postgraduate Diploma Certificates as a mandatory step.

English Proficiency:

If you are not a native speaker, you should have an appropriate English proficiency level, e.g., an IELTS score of 5.5 or equivalent in all bands, or possess a bachelor's degree delivered and assessed in English, or proof of work experience in an English-speaking environment.

Advanced Diploma Certification Fee	\$300 (On Completion Of Course Modules)
Course Certification Fee	\$1000 (To Be Paid Upon Successful Completion Of The Program)
Total Fee	\$6500
CMI Certificate Fee	\$300 (Optional)

Graduate Testimonials & Experiences

TESTIMONIAL

"The quality of education and the flexibility of the programme make it an ideal choice for career-oriented individuals."

Mathew Utoni

Electronic and Electrical Engineer
Nampower, Namibia

UniAthena's MBA in Energy Management program exceeded my expectations and equipped me with valuable knowledge and skills that will serve me well in my day-to-day tasks.

The quality of education and the flexibility of the programme make it an ideal choice for career-oriented individuals.

I extend my heartfelt thanks to the entire UniAthena team for their remarkable efforts in ensuring an exceptional educational journey, and I strongly endorse UniAthena's programs.

MBA in Energy Management | Batch 2024

TESTIMONIAL

International Advantage

Study Remote, Graduate in Italy

Attend the prestigious GMU convocation in Rome as a UniAthena graduate. Join a diverse, global network and benefit from international recognition of your credentials.

Our Esteemed Academic and Professional Affiliations

Guglielmo Marconi University, Italy

Guglielmo Marconi University (GMU) is based in Rome, Italy, and is recognized by the Ministerial Decree of March 1, 2004. GMU's main campuses are based in Rome and are located around the Prati and Vatican neighbourhoods. Currently, GMU has more than 16,000 learners enrolled in graduate and postgraduate programs, 300 faculty members, and a team of 200 expert advisors.

The central administrative offices, studios, academic departments, and the majority of the university facilities are situated on the main campus. GMU distinguishes itself through its operational blended format, which combines online and traditional academic programs.

This format provides learners with a valuable experience both online and offline, by preserving face-to-face interactions with professors, seminars, and lessons within the athenaeum and granting access to the intranet and institutional resources.

Since 1999, Italian universities have abided by the 'Bologna Process', launched with the Bologna Declaration of 1999 and defined by the European Higher Education Area (EHEA). In relation to this reform, the university is a system organized into 3 cycles: bachelor's degrees, Master degrees, and doctorates in different schools.

Cambridge International Qualifications, UK

Cambridge International Qualifications (CIQ), UK, is a professional awarding body based in the United Kingdom. CIQ is founded on the vision of helping individual learners and employers in attaining quality accredited awards. With centers across the Middle East, Europe, and the African region, CIQ is a proud certification partner for more than 100 organizations and has a progression pathway with some of the leading universities across the world.

CIQ offers credit-rated programs under the Scottish Credit Qualification Framework (SCQF) through the credit rating agency Scottish Qualifications Authority, which enables the learner to attain UK-regulated qualifications. Apart from the credit-rated programs, CIQ also offers stand-alone professional diploma and certification programs, which have been developed based on the current needs of the industry. CIQ also partnered with NCFE-UK (Northern Council for Further Education) and TQUK (Training Qualifications, UK) for joint certification for the courses developed by CIQ.

CIQ has gained a reputation for the high-quality support services provided to the education sector. It works with schools, colleges, universities, and corporate bodies as well as Government agencies to provide relevant, effective, and flexible programs. Their qualification and assessment framework is up-to-date, result-oriented, and meets the defined values as per international standards. CIQ qualifications are approved for progression to higher qualifications offered by International Universities around the globe.

The CIQ qualification and assessment framework has been developed in consultation with leaders from various corporate bodies, government agencies, and universities around the world. CIQ programmes are frequently assessed to enhance quality and ensure they are relevant for the rapidly changing global market, as well as career opportunities for ambitious individuals. The CIQ Qualification and assessment framework is available throughout the world and may be accessed via their “Approved Centre Network”.

Chartered Management Institute, UK

Chartered Management Institute, backed by Royal Charter, is the only Chartered body dedicated to promoting the highest standards in management and leadership excellence. CMI's management qualifications are recognized throughout the UK and Europe and provide a progressive framework that enables one to develop and broaden management skills. Their qualifications are designed in consultation with employers to meet today's demands, and therefore, it is valued by them.

Their certification is flexible. One can study locally via their 600+ approved centres or through a Distance Learning Provider.

Their resources are designed specifically for the qualification to ensure that the learner has the correct support and free access to all key membership services for the duration of their study.

Practical help whenever you need it; tools and techniques to save time and stress; new ways to enhance your professional reputation; qualifications that show the world you mean business – that's what CMI is all about.
